GENERAL NOTES
Drawings of existing facilities are, in general, diagrammatic. Exact locations shall be determined by the Contractor from field measurements taken by Contractor's personnel. Actual arrangement of the work shall follow locations shown on the drawings within the constraints of existing equipment and construction. Dimensions shall govern these drawings and they are not to be scaled. Drawing and notes to drawings are consecutive and have equal authority and priority. In the event of discrepancies, the appropriate method of performing the work and/or items to be incorporated into the scope of the work shall be determined by the designer. Structural engineer to review plan (where required). Any discrepancies should be reported to designer immediately.

COPYRIGHT RESERVED.
These designs and plans are and and at all times remain the property of christian barnard, to be used for the project shown and may not be reproduced without written consent.
