Re: Rezoning Application for 441, 443 Government Street and 605, 607 Michigan Street

Dear Rob,

We are pleased to provide our Rezoning and Development Permit Resubmission related to 441, 443 Government Street and 605, 607 Michigan Street.

As part of our resubmission, we have enclosed the following documents for your review:

- 1) Owner Authorization Letter;
- 2) Rationale Letter addressed to Mayor and Council;
- 3) Summary Letter Response Rationale Letter addressed to Staff;
- 4) Certificates of Title – 441-443 Government Street and 605 and 607 Michigan Street dated within 30 days of the resubmission;
- 5) Architectural Drawings from Urban West Architecture – Bubbled and non-bubbled digital submission;
- 6) Civil Servicing Drawings from Westbrook Consulting - Bubbled and non-bubbled digital submission;
- 7) Landscape Drawings from LADR Landscape Architects - Bubbled and non-bubbled digital submission;
- 8) Updated Sewage Attenuation Report;
- 9) Updated Site Rainwater Management;
- 10) Survey showing the location of the TOA relative to 443 Government Street
- 11) Excavation Feasibility Memo from Ryzuk Geotechnical
- 12) BC Hydro PMT Location Confirmation
- 13) Updated Tree Management Plan & Construction Impact Assessment from Talmack Urban Forestry.
- 14) Letters of Engagement for Electrical, Civil and Landscape for works within the municipal right-of-way.

Our Tenant Assistance Plan has also been emailed to housing@victoria.ca under separate cover and has been approved by City of Victoria Staff.

If there are any questions regarding the above submission, please do not hesitate to contact me directly.

Best regards,

Nicholas Standeven
Vice President of Development
