Re: 1301 Hillside Avenue
Itemized Landscape Revisions

1. Sidewalk revised to be adjacent to internal SRW boundary. Townhouse patios removed.
2. Boulevard rain gardens added, and boulevard trees shifted to be 1.25m from the proposed front of sidewalk.
3. Bicycle parking stalls relocated to be within property line (not in SRW). Bench and little free library shifted in response.
4. Small tree moved in response to stair from L2 revision.
5. Patios, access gates and planters reorganized to accommodate access walkway connection to northeast corner of site.
6. Plantings added for boulevard rain gardens and boulevard landscape.
7. Boulevard Planting Notes added.
8. See mix information added.
