re: DPV00243 APPLICATION REVIEW SUMMARY RESPONSE 02

Below is the numerically itemized list of changes of the numbered revisions bubbles on the architectural drawings.

1. Updated project stats - building height to match zoning plan check
2. Updated project stats - short term residential bike parking stalls to reflect zoning bylaw
3. Offset ground mounted bike rack at longterm horizontal bike parking as per comments from administration
4. Include notes at parking area to confirm all parking stall to be EV ready

Thank you,
