

JOHNSON STREET NORTHERN JUNK REZONING/ HERITAGE ALTERATION PERMIT_R2

SUMMARY OF CHANGES

L0.02 TREE MANAGEMENT PLAN

- Adjustment made to show the trees that are to be removed
- This is based on *Arboricultural Inventory and Report, For: Crosstown Properties* by Diamond Head (October 17, 2019)
- Additional note added on sheet. Describing that the applicant is providing a cash-in lieu off site tree placements due to removed trees

L1.01 LAYOUT – SURFACE LOT LOADING OPTION

- Showing a proposed interim strategy that connects the sidewalk in front of the project site, with existing Reeson Park sidewalk
- Showing an ultimate proposed strategy that connects the sidewalk in front of project site, with existing Reeson Park sidewalk

L1.02 LAYOUT AND MATERIALS PLANS – GROUND LEVEL

- A new design of ground level. This proposed design contains new scheme for board walk (that connects to David Foster Way), planters, and outdoor dining patio

L1.03 LAYOUT AND MATERIALS PLANS – ROOF LEVEL

- A new design of roof level. This proposed design contains CIP concrete planters, urban agriculture planters, urban agriculture potting table with storage, and trellis structure

L2.01 SECTIONS

- Modifications to section 2 and 3, based on revised ground level design noted above

L2.02 SECTIONS

- Modifications to section 4, based on revised ground level design noted above
