Victoria, BC

Landscape Revisions

The following items have been revised in the reissued Landscape package dated June 2, 2026:

- L1 Item 1. The green roof on the bike storage building has been removed.
- L2 Item 1. The green roof on the bike storage building has been removed.
- L3 Item 1. Open space takeoffs have been adjusted to reflect the revised design.
Item 2. Open space totals have been adjusted as per the new takeoffs.
Item 3. An elevation detail for the West property line has been added.
Item 4. The continuous landscape area has been adjusted as per City comments.

Kind regards,
LADR Landscape Architects
