Subject: Request for Zoning Bylaw Amendment – Barbed Wire Security Fencing at 247 Russell Street

Addendum to Letter submitted Mar. 24, 2027

Dear Mayor and Council,

In response to staff's request for a reference map and photographs of the subject fence, please find attached,

1. VicMap reference site plan titled "247 Russell fence" with fence location and approximate dimensions indicated.
2. Three photographs depicting the subject fence titled "247 Russell-1, -2, -3", respectfully.

In addition to photographs of the subject fence a number of photographs of similar fences in the surrounding area are provided. To be clear, we are not complaining about similar fences and wish no negative consequences (e.g., enforcement action) on surrounding property owners. Quite the opposite, we understand and support the installation of such safety measures and deterrents to crime.

3. Seven photographs titled "Surrounding area 1-7", respectfully.

Respectfully submitted,

Daniel Robbins
